**GOD'S PLAN FOR GIVING**

Tithing Income Last Weekend	\$14,204.75
Income Same Week Last Year:	\$13,760.50

*From Father Davis: I am aware that most of our senior citizens are on limited income, have many medical bills and other financial burdens. I am also conscious of our younger parishioners with heavy tuition bills and household responsibilities. Tithing has been offered for your consideration as an approach to Church support and to follow God's Plan for Giving instead of depending on raffles and various other fund raisers. Please do not let tithing be another worry for you. What you give to God is between you and God. Do Not Worry!*

*From the Pews: "Tithing has been my salvation. Returning to God a part of my income made me realize that I must return more of my time to those around me. Doing this has been rewarding here and hopefully hereafter."*

**FLU SEASON**

I've been asked many, many times with everyone's concerns about the swine flu and flu season and two elements of our liturgy. May I make it clear:

1. The Sign of Peace - It is not necessary to shake hands, but it would be very inappropriate not to acknowledge in some way the peace of the Lord in some way – a smile, a bow, the words "Peace be with you", etc.
2. Receiving the Eucharist from the Sacred Cup – The sacred body and blood of Jesus is present in both sacred elements of the Eucharist. You do not have to receive both the bread and the wine to receive the Lord. So, if you choose, for a time, to refrain from drinking from the Sacred Cup of the Precious Blood, that certainly is your option, but the reality is that you have received Communion.

**THANK YOU**

Thank you to the Knights of Columbus and our Pro-Life group who helped organize our parish petition drive for the Statewide Initiative for Marriage Protection. Our parish sent 850 petitions to our legislators to urge them to simply reject attempts to change the definition of marriage

**2009 Bishop's Annual Appeal**

***Now More Than Ever***

A portion of the Bishop's Annual Appeal funds are used to assist with the operating expenses of Nazareth Village, our diocesan priests' retirement residence in Chester. Nazareth Village is a great option for retired priests since they can live in community and fellowship with their brother priests. Your support of the Annual Appeal is a great way of thanking those men who faithfully served parishes for decades. Thank you for your support!

**CHRISTMAS HOLIDAY DINNERS

We hope to see you at our First Noel performance on Dec. 6<sup>th</sup>.

## Liturgy Corner

In the following weeks, we will be breaking down the various elements of the liturgy and their purpose.

### Liturgy of the Word

Perhaps the easiest prayer is the Liturgy of the Word. During The Liturgy of the Word we come together to Listen and to thank God for His gifts. When the word is spoken at liturgy, God is speaking to us 'live'. We're not listening to something God once said. We're not being taught a lesson. The living God is speaking 'live' to us here and now. It is God, today, speaking to our hearts and souls. How does this occur? For starters, by really listening! Like, sitting in the sun and absorbing its rays, really listening helps us to absorb and open ourselves to take in the message God has for us this day. It is broken down into eight parts: a

1. **The First Reading:** -The Hebrew Scriptures: The first reading is mostly chosen from the Old Testament but during Easter we read from the "Acts of the Apostles". This reading usually harmonizes with the Gospel reading.
2. **The Responsorial Psalm:** The Psalm reflects themes in the readings. The Psalm consists of an antiphon. This is a vehicle of prayer and praise - an atmosphere of prayer within which the readings occur.
3. **The Second Reading** - The Christian Scriptures: This reading is usually from one of the letters in the New Testament which may also include the Book of Acts or the Book of Revelations.
4. **The Gospel - Alleluia:** "Alleluia" Heralds the Gospel. The congregation sings while the deacon goes to the altar where the Book of the Gospels is enthroned. He lifts the book and, accompanied by servants (altar servers) with candles (symbol of Christ' light), processes with the Gospels held high.
5. **The Gospel Reading:** The Gospel is the climax of the liturgy of the word. Catholic faith teaches that in proclaiming the Gospel, Christ is truly present to the community. For this reason the community stands to witness to Christ's resurrection which allows him to be present to his people. As the deacon or priest introduce the Gospels all in the community sign themselves with the sign of the cross traced on the forehead, the lips and over the heart. This signing reminds us "Christ in my thoughts" <forehead>, "Christ from my lips or what I say" <lips> and "Christ in my heart" <over the heart>. The community affirms in faith by responding, "Praise to you, Lord Jesus Christ".
6. **The Homily** (or mini-sermon): The Scriptures are not always easy to understand and apply to present life. For this reason the homily breaks open the Scriptures, showing how the word of God addresses us today. What import does the Gospel have for our lives today, for the world we live in, for issues in the community forum?
7. **Profession of Faith:** The Creed is a written profession summarizing the community's search for an ever deepening understanding of Jesus and His message.
8. **General Intercessions (Prayers of the Faithful):** The people petition God for the needs of the Church, society, the parish, people in need, the sick and suffering, and those who have died. They direct our faith, which has been deepened through prayer and listening to God's word, to specific situations today. These prayers conclude the Liturgy of the Word.

## In Flanders Fields

*In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.*

*We are the dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved, and were loved, and now we lie  
In Flanders fields.*

*Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.*

## THE FIRST NOEL

Once again, the time of year has come when we celebrate the greatest gift ever given to humankind ~ the birth of our Savior, Jesus Christ. The peace and serenity of the true meaning of Christmas will be depicted by the youth of our parish as they perform their Living Nativity presentation, **The First Noel**. This presentation is a wonderfully moving performance that will leave you with the feeling of peace, hope, and rejuvenation as you prepare for Christmas Day. Experience the night when Shepherds witnessed angels and a bright shining star high above Bethlehem. See the Wise Men come before King Herod on their journey to a stable where the newborn king lay asleep in the hay. Watch Mary and Joseph tend over their newborn son in a lowly manger as all around them, the Glory of the Lord was being announced by choirs of Angels!

There will be 2 performances on **Sunday, December 6<sup>th</sup>**. The first will be an afternoon show at **4:00 pm** and the second at **7:30 pm**. This presentation is a must see for all families. Our performances have become quite popular so arrive early to ensure a good seat.
