- ❖ In religious education we are not simply imparting facts about the Catholic Church. Each class becomes a small faith community. Class discussions help the students form a Catholic conscience and relate the church teachings to their everyday lives. Your child’s presence in class is a vital part of the experience, both for your child and for his or her classmates. Regular attendance is a large part of your child’s success in the religious education program. Excessive absences, as well as excessive tardiness and requests for early dismissal may prevent your child from advancing to the next grade level. Please consult the online handbook for more information.
- ❖ Please remember to update us when your cell phone, email, and/or other contact information changes during the year.
- ❖ Regular attendance at Sunday mass is an important part of your child’s religious education and is expected by all families.
- ❖ Information is always available 24/7 on our Parish website:
